

How do I check if HP Web Services are enabled on my touchscreen printer?

1 Initial Printer Setup:

- Configure your printer according to the instructions on the packaging
- Ensure that your printer is connected to the internet

2 Locate HP ePrint:

- Tap on the HP ePrint icon located on the touchscreen display

3 Check If HP Web Services Are Enabled:

Not yet enabled:

- A setup page will appear; follow the on-screen instructions to set up Web Services

Once enabled:

- A Web Services summary page will appear
